

POLICY STATEMENT

DCSurveys is committed to continually improving quality, health and safety and environmental performance whilst consistently meeting our customers’ requirements as to the quality of our product, service, advice and support in the supply of specialised surveying services to Industry.

DCSurveys vision is to be regarded as the company of choice that clients go to for their Dimensional Control Surveying requirements and equally to be the company of choice for employees.

The company aligns processes to achieve compliance with these commitments by implementing and maintaining an Integrated Management System (IMS), forming an integral part of the company’s business strategy and designed to meet the requirements of ISO 9001, ISO 14001 and 4801 / OHSAS 18001 (latest editions).

The company is committed to proactively:

- Conducting business in such a manner that, as a minimum, ensures compliance with all applicable (current and anticipated) statutory and regulatory requirements, through a program of continual improvement.
- Setting objectives and targets that are monitored regularly to assess improvements in:
 - Quality performance
 - Safety performance & prevention of work-related injury and ill health
 - Environmental performance
- Ensuring the health, safety and welfare of our employees, customers and any other persons that could potentially be harmed by our business activities, and operations.
- Assessing the risks associated with our work activities and implementing control measures to ensure, so far as is reasonably practicable:
 - The needs and expectations of our customers and other interested parties are met.
 - Activities are managed in line with best practice to improve the environmental impact across our organisation using the principles of sustainability.
 - Working environments, work equipment and systems of work are safe and without risk to health, safety or the environment.
 - Adequate information, instruction, training and supervision are provided to ensure that target service levels and contractual needs are met whilst ensuring the safety of employees, customers and others.
- Ensuring all employees are made aware of and understand the IMS policy, procedures and supporting documentation, through training and provision of information.
- Continually monitor and verify the effectiveness of our IMS through management reviews and planned internal and external audits to ensure we are achieving our objectives for continual improvement.

This policy is publicly available to all interested parties and is reviewed periodically to take account of applicable local, statutory, regulatory and customer requirements and any changes in work activity. DCSurveys recognises and is committed to the highest possible quality of services.
